ARE YOU A COMMUNITY-DRIVEN WOMAN LOOKING TO GIVE BACK IN SOUTHERN MAINE WHILE CONNECTING WITH LIKE-MINDED PEERS?

JOIN WOMEN UNITED.

Women United's mission is to inspire and deeply engage women as positive change agents in support of the advancement of single mothers and their children in Southern Maine.

GIVE. ADVOCATE. VOLUNTEER.

Women United members organize fundraisers, network with local leaders, and advocate for policies that support women and children. As a giving circle of United Way of Southern Maine, we leverage the organization's rich history, resources, knowledge, and relationships to achieve the highest impact.

MEMBER BENEFITS

As a member of Women United, you will be part of a vibrant community, bound together by a sense of belonging — to each other, to our mission, and to the communities we call home. Donating to Women United helps make an impact in the lives of local women AND gives benefits to you, including:

- Network and connect with community leaders at exclusive events.
- Learn about critical issues impacting single women and their children.
- Be part of a community of like-minded women who contribute their personal passions, best ideas, and unique strengths to build a stronger community.
- Volunteer alongside others looking to create lasting change.
- Advocate for key community issues, like child care and affordable housing.

WOMEN UNITED PROGRAM PARTNERS

We invest donor contributions into five local programs that advance single mothers and their families through comprehensive support and move them toward financial stability. Our member-led Investment Committee determines where investments will have the most impact.

Project HOME - Quality Housing Coalition

Direct cash assistance, individualized skill-building, and peer-to-peer support.

MomCore - York County Community Action Corporation

Targeted coaching program focused on improving financial knowledge and household stability.

Mothers Thriving - New Ventures Maine

Flexible six-session class series, group support, and coaching to build confidence and skills.

Project WIN (Women in Neighborhoods) - The Opportunity Alliance

Gathers single mothers in a cohort and provides an evidence-based coaching model to help them identify and pursue goals for their families.

Anchoring Youth to Succeed - Boys & Girls Clubs of Southern Maine and A Company of Girls Afterschool program with wraparound services for Project WIN children and neighborhood youth.
